haeminhwang

Senior Product Designer

Based in New York, NY

EXPERIENCE

Senior Product Designer — QuickBooks Payroll

Oct 2025 — July 2026 / New York, NY

Designed agentic experiences that help small businesses automate payroll end to end. Led AI-assisted redesign of the payroll import flow. Ran internal workshops to teach AI-assisted design engineering, accelerating team output.

Product Designer 2 — Mailchimp

July 2024 — Sep 2025 / New York, NY

Designed delightful onboarding experiences for first time users. Created seamless transition of data for users coming from another email/SMS service provider during onboarding.

Product Designer — TurboTax

Oct 2022 — June 2024 / San Diego, CA

Reimagined first-time-user onboarding for TurboTax's filing experience. Improved experiences for Credit Karma Money offers. Spearheaded theming efforts for a seamless tax filing experience for Credit Karma users.
